

DESIGNER SHADE SOLUTIONS ALL SEASONS RETRACTABLE SYSTEMS

The Ultimate Solutions for All-Year-Round Outdoor Entertaining, Dining and Living. Designer Shade Solutions Systems give the flexibility to enjoy the fine sunny weather during the summer months and to be protected in the Winter. Change to wet weather protection in seconds or enjoy insulated protection for the home or for patrons in restaurants and bars. The Slimline design can stand alone or be integrated into custom designs. Integrated Side Screens, Heaters and LED Lighting Systems enhance weather protection and comfort while at the same time creating a relaxed atmosphere.
